

MODULARM ACCESSORIES

Products for Expanding System Capabilities

Remote Notification

All Modularm systems offer audible and visual on-premise alarms and also provide remote notification capability. To facilitate remote annunciation, the following accessories are offered:

AUTOMATIC TELEPHONE DIALER

For off-premise alarm annunciation without the monthly monitoring fee of a central station.

- Turn-key system for remote notification.
- Works with existing phone line or a dedicated phone line.
- Easy installation. Requires standard 120VAC outlet, phone jack and connection to alarm.
- Completely solid state.
- Field programmable with up to four telephone numbers to voice/pager operation.
- Field programmable outgoing voice message (16 seconds max.)
- Tone/Pulse dialing.
- Rechargeable battery backup with recharging circuitry for power failure operation.
- Painted steel enclosure.
- Dimensions: 12" x 12" x 3". Weight: 11 lbs.

Automatic Telephone Dialer

ILLUMINATED PUSH BUTTON FOR PANIC (ENTRAPMENT) ALARM

IP-1

IP-1 provides light control, panic, and auto panic inside the compartment. Low voltage pilot light inside the compartment.

DAC-55, DL-35, 75LC, DATALARM

IP-2

IP-2 provides entrapment alarms. Low voltage pilot light inside the compartment.

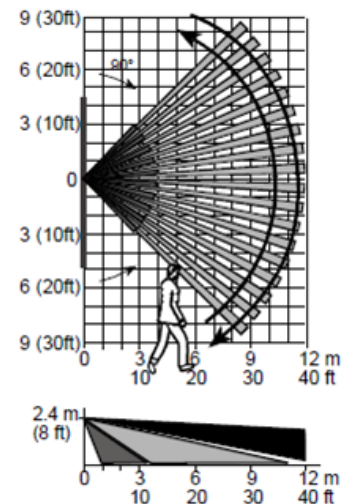

MOD75, MOD24

MD-1

The MD-1™ adds hands free occupancy detection to your walk in. Connected through low voltage wiring to your 75LC multi-monitor™. The MD-1™ will turn on and maintain your lights for the duration of your stay in the walk in using the lighting control feature provided by the 75LC multi-monitor™. Adding the MD-1™ will increase safety by activating hands free Auto-panic™. No reprogramming needed, the 75LC multi-monitor's™ Auto-detect™ will pickup a connected MD-1™ and reprogram itself for the most common settings. The MD-1 comes mounted on a standard 4X2 plate, so installation is simplified.

- **Sensing Range:** 2.5' << 40'.
- **MAX current draw:** 9mA
- **Operating temperature:** (-) 20°F << (+) 122°F
- **Physical Dimensions:** Motion detector 3-1/4" h x 2" w x 1-1/2" d
Mounting plate 4" w x 2" h
Mounting box 4" w x 2" h x 2-1/2" d
